

## **Biography**

Mr. Mire Mladenovski is a history teacher with 28 years of working experience teaching students at age 10 to 15. He is experienced in public speaking, conducting and organising seminars and workshops on national and international level and has a strong professional network. He has been involved as an expert in several international and intergovernmental organisations, including Council of Europe, Euroclio, British Council, USAID... In his professional work he constantly develops himself professionally, led by the idea of lifelong learning.

Author, co-author and editor of numerous publications and on-line educational multimedia tools (e.g. [historiana.eu](http://historiana.eu)) in the field of history education. At the same time, he is the founder and current president of the History Teachers Association of Macedonia (ANIM), and also the former president of EUROCLIO.
