

A2IC 2018

ARTIFICIAL INTELLIGENCE INTERNATIONAL CONFERENCE

NOVEMBER 21-23, 2018

BARCELONA

CALL FOR PAPERS – A2IC 2018

The A2IC conference aims to establish an international forum of reference for the latest advances in the field of Artificial Intelligence (AI). This first edition aims at joining both academy and industry by covering not only basic and applied research, but also philosophical and ethical issues regarding the future of humanity in an AI world.

The **Artificial Intelligence International Conference** is an annual gathering with the following objectives:

- Attract high quality papers in different subfields.
- Offer the opportunity to be updated on the latest research outputs on several Artificial Intelligence topics.
- Organize specific workshops around the most attractive and current issues.
- Gather worldwide experts as conference speakers.

Topics of interest include, but are not limited to:

- Machine learning
- Neural networks and deep learning
- Knowledge representation
- Ontologies and Semantic Web
- Reasoning
- Uncertainty in AI
- Fuzzy logic and fuzzy systems
- Multiagent systems
- Natural language processing
- Robotics
- Cognitive systems
- Biometric authentication
- Ethics in AI

Important Dates:

- Regular submission deadline: September 12, 2018
- Regular registration deadline: October 12, 2018
- Conference: November 21–23, 2018

Guidance for authors:

The submission must be done through Ex Ordo (<http://a2ic2018.exordo.com>) where you have to create your own account. This abstract management system enables you to manage your submission as you wish.

Proceedings & Publishing:
