

BIOGRAPHY

Hungary, Slovakia - Bratislava 2022

Speaker : Robert Williams

Dr. Robert Williams is chair of the Committee on Antisemitism and Holocaust Denial at the International Holocaust Remembrance Alliance, Deputy Director for International Affairs at the United States Holocaust Memorial Museum, and on the steering committee of the Global Task Force on Holocaust Distortion. He serves in an advisory capacity to several international organizations on antisemitism and Holocaust issues, and he is currently overseeing a major international initiative that assesses the impact of Holocaust and genocide denial laws. Robert's research specialties include German history, US and Russian policy, and contemporary antisemitism. Outside of work, he is co-editing a volume for Routledge on the history of antisemitism.
