Nazi camps and killing centres

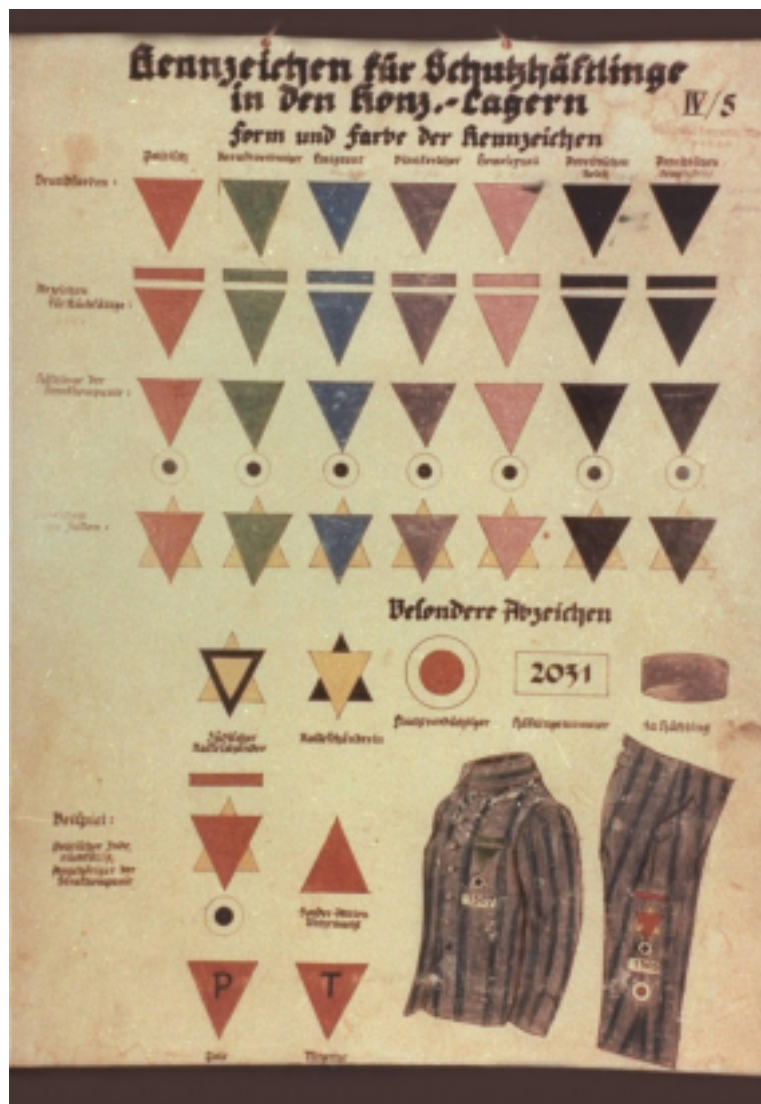

Chart of Prisoner Markings

A chart of prisoner markings used in German concentration camps. Dachau, Germany, ca. 1938–1942. Beginning in 1937–1938, the SS created a system of marking prisoners in concentration camps. Sewn onto uniforms, the color-coded badges identified the reason for an individual's incarceration, with some variation among camps. The Nazis used this chart illustrating prisoner markings in the Dachau concentration camp.
