Debates regarding 'problematic' historical events: Bleiburg, poveljni poboji, Foibe

Summary: What are the core societal factors that make certain historical event a 'problematic' one? How to address rather than avoid the issues of social memory making and political uses of history, when trying to teach history in an objective, truthful and unbiased manner. We will unpack debates regarding Bleiburg, poveljni poboji, and Foibe, with help of frame theory and multiperspective epistemology.
