

LECTURE/WORKSHOP SUMMARY

Greece, North Macedonia, Bulgaria - Kavala 2022

Speaker : Dimitra Patronidou

Mass atrocities during WWII in Thrace

Once the term “mass atrocities” is defined, this lecture will examine the inhuman and degrading treatments which took place in Western Thrace during WWII from the perspective that they were not just a separate chapter of WWII, but a part of a new phase of the “Macedonian Question”, which had the tendency to “be hidden” in the wider world and Balkan conflicts (Balkan Wars, WWI, WWII).
