

LECTURE/WORKSHOP SUMMARY

Greece, North Macedonia, Bulgaria - Kavala 2022

Speaker : Georgi Stankov

What does understanding mean: Why does Holocaust concerns everyone? Is it enough to get the facts correct in order to achieve learning outcomes?

What does understanding mean: Why does Holocaust concerns everyone? Is it enough to get the facts correct in order to achieve learning outcomes?

Resume

The lecture explores our turbulent Balkan past as parallel to the social and political processes in Germany when the Nazi party took the power and executed the biggest annihilation in the human history.

Expected result: learners will gain a broader view and understanding of the Others and their motivations.

Tools used: sociometry, small groups work, lecture, and discussion.
