Speakers: Tsvetomira Antonova, Ljupco Petreski, Kalliopi Sotireli and Renata Ozorlic Dominic

**The 2022 Learning Activity Presentation: Jewish communities and antisemitic policies in Bulgaria, Greece and North Macedonia during the WWII**

The main objective of this workshop is:

- to gain new knowledge, and deeper understanding about the life of Jews on the territories of Bulgaria, Greece and North Macedonia before and during World War II;
- to become aware of how centuries of religious prejudice led to antisemitism and the state policies that made the Holocaust possible
- to learn about the people who saved Jews,
- to learn about the importance of defending and actively fighting against any acts of prejudice, disrespect, or violence;
