

Greece, North Macedonia, Bulgaria - Sofia 2023

Speaker : Maxim Delchev:

We will follow the steps of the only Jewish peaceful demonstration during the period of the Holocaust – the 24<sup>th</sup> of May demonstration in Yuchbunar – the working class neighborhood in Sofia.

We will try to see and experience the moment through the lenses of some of the key actors, so that can help us understand the tensions and the atmosphere of the period and maybe why 50 000 Jews from Bulgaria were not deported.
