

## BIOGRAPHY

Albania, North Macedonia, Serbia- Tirana 2022

### Speaker : Mire Mladenovski

Mire Mladenovski is a history teacher with 28 years of working experience teaching students at age 10 to 15. Simultaneously, he has worked as a teacher of civic education. He is experienced in public speaking, conducting and organising seminars and workshops on national and international level and has a strong professional network. He has been involved as an expert in several international and intergovernmental organisations, including Council of Europe, USAID, British Council and other international organisations in over twenty - mostly European countries. In his professional work he constantly develops himself professionally, led by the idea of lifelong learning. Current President of ANIM (Association of History Teachers of Macedonia) and former President of EUROCLIO (European Association of History Educators), 2018 -2019.
