

**Lecture summary:**  
The deportation of the Jews in the Bulgarian occupied  
territories

The lecture presents the frame and the events related to the deportation (March 1943) of the Jews from the Bulgarian occupied territories of Greece and Yugoslavia. The contemporary debates in Bulgaria on the topic are commented with the aim to shed light on key controversial points. The talk is based on evidence from the archival documents preserved in the Bulgarian repositories. References of relevant sources are provided.
