

Summary and pedagogical objectives of the workshop
“Stories, Memories and lives- Litterature and Holocaust”

António Martins

Memoshoá, Portugal

*

I'm going to talk about the liasson between Holocaust and Literature. Firstly, the cultural resistance during the “lager”. Secondly, the diferente phases after the World WAR and thirdly, after 1990's.

The learning objectives:

- To achieve the relationship between Litterature and the Holocaust;
- To make distinctions between the different stages of the Holocaust Literature;
- To understand the role of the Literature in the Memory and the Study about the Holocaust.

Tools: Zoom and a powerpoint presentation in Portuguese
