

# Gold 2025

San Sebastian, Spain

May 11<sup>th</sup> - May 14<sup>th</sup>

## CALL FOR PAPERS – Gold 2025

Following the success of the previous tri-annual GOLD conferences on the applications of gold in high-technology (Québec 2022; Paris 2018; Cardiff 2015), the GOLD 2025 conference (10<sup>th</sup>) will be held on May 11-14, 2025 in San Sebastian, Spain. The event will take place at the Kursaal Convention Center, a splendid venue by the seaside.

**Topics of interest include, but are not limited to:**

1. **Synthesis of nanoparticles and nanostructures**
2. **Gold-containing molecular and supramolecular complexes**
3. **High-purity gold synthesis and recycling**
4. **Catalysis**
5. **Electrochemistry**
6. **Plasmonics (fundamentals, engineering and systems)**
7. **Electronics, optics, photonics**
8. **Biomedical applications of gold: in vivo applications and technologies, injectable nanoparticles, pharmacology**
9. **Biomedical applications of gold: sensors and devices**
10. **Energy**
11. **Environment**
12. **Computational approaches, machine learning, AI**

**Important Dates:**

- Regular submission deadline: November 15, 2024
- Regular registration deadline: March 21, 2025
- **Conference: May 11–14 2025**

**Venue:**

This edition will be held at the Kursaal

The entrance for participants is located at Zurriola Hiribidea, 1, 20002 Donostia, Gipuzkoa, Spain

**Guidance for authors:**

The submission must be done online (<https://gold2025.exordo.com/>) where you will have to create your own account. This abstract management system will enable you to manage your submission as you wish.

**Proceedings & Publishing:**

More information coming soon.
