CALL FOR PAPERS – ICONAN 2024

The **International Conference On Nanomedicine And Nanobiotechnology** is an annual gathering with the following objectives:

- Attract high quality papers in different subfields
- Offer the opportunity to be updated on the latest research outputs on several Nanomedicine and Nanobiotechnology topics
- Organize specific workshops around the most attractive and current issues
- Gather worldwide experts as conference speakers

Topics of interest include, but are not limited to:

- Targeted drug delivery, organ biodistribution and nanocarriers
- Nanomedicine for immune system and cancer diagnosis & therapy
- Biological & medical nanodevices and biosensors
- 3D models, tissue engineering and regenerative nanomedicine
- Toxicology and risk assessment of nanomedicine systems
- Nano-Imaging for diagnosis, therapy and delivery in preclinical and clinical fields
- Nano and microsystems for artificial biology and biocatalysis
- Nanotechnology and translational medicine: from the bench to the bedside

Important Dates:

- Regular submission deadline: November 10, 2023
- Regular registration deadline: December 15, 2024
- Conference: January 15–17, 2024

Venue:

This edition will be held at the Pompeu Fabra University – Balmes building
Carrer de Balmes 132, Barcelona, Spain.

Guidance for authors:

The submission must be done online (<http://iconan2024.exordo.com/>) where you will have to create your own account. This abstract management system will enable you to manage your submission as you wish.

Proceedings & Publishing:

More information coming soon.
