CALL FOR PAPERS – ICONAN 2027

The **International Conference On Nanomedicine And Nanobiotechnology** is an annual gathering with the following objectives:

- Attract high quality papers in different subfields
- Offer the opportunity to be updated on the latest research outputs on several Nanomedicine and Nanobiotechnology topics
- Organize specific workshops around the most attractive and current issues
- Gather worldwide experts as conference speakers

Topics of interest include, but are not limited to:

- **Nanomaterial-Body Interaction:** Interface with biomolecules, cells, organ, immune system
- **Novel Delivery Strategies:** Effective, personalized, controllable delivery of therapeutics
- **Prevention and Treatment of Diseases:** Oncology, infectious, cardiovascular, pulmonary, metabolic diseases etc
- **Diagnostics and Devices:** Biosensors, bioelectronics, disease modelling, biochips
- **Emerging Concepts and Technologies:** AI, Automation, computational medicine, mechanobiology, robotics

Important Dates:

- Regular submission deadline: November 7th, 2026
- Regular registration deadline: February 19th, 2027
- Conference: March 31st-April 2nd, 2027

Venue:

This edition will be held at **Sorbonne Université (Campus Pierre et Marie Curie), [4 Pl. Jussieu, 75005 Paris](#)**

Guidance for authors:

The submission must be done online (<http://iconan2027.exordo.com/>) where you will have to create your own account. This abstract management system will enable you to manage your submission as you wish.

Proceedings & Publishing:

More information coming soon.
