

PEMED 2020

Personalized and Precision Medicine
International Conference

February 19-21 | Munich

CALL FOR PAPERS – PEMED 2020

The **Personalized and Precision Medicine International Conference** is an annual gathering with the following objectives:

- Attract high quality papers in different subfields
- Offer the opportunity to be updated on the latest research outputs on several Personalized/Precision Medicine topics
- Organize specific workshops around the most attractive and current issues
- Gather worldwide experts as conference speakers

Topics of interest include, but are not limited to:

- Personalized therapies
- Biomarkers and diagnostics, liquid biopsy, imaging, biochip/microarray technologies
- Drug target discovery and integration with individualized therapy / theragnosis
- Integrating Big Data
- Emerging opportunities in personalized medicine
- Cost-benefit issues, and ethics in precision medicine

Important Dates:

- Regular submission deadline: November 18, 2020
- Regular registration deadline: December 18, 2020
- Conference: February 19-21, 2020

Guidance for authors:

The submission must be done through Exordo (<http://pemed2020.exordo.com>) where you will have to create your own account. This abstract management system will enable you to manage your submission as you wish.
