SINGLE-MOLECULE SENSORS AND NANOSYSTEMS INTERNATIONAL CONFERENCE – S3IC 2027

This conference will bring together researchers in the rapidly advancing field of Single Molecule Sensors and NanoSystems on **May 19-21, 2027 in Lisbon**. The conference focuses on the most recent advances in micro and nano-sensing techniques that have either demonstrated single-molecule detection or that can advance or contribute towards single-molecule detection capability on sensor chips in the longer term.

CITY & VENUE

Welcome to Centro de Congressos do Instituto Superior Técnico

Lisbon, the capital of Portugal, is a vibrant European hub known for its scenic hills, Atlantic coastline, and colorful neighborhoods. Combining rich heritage with modern innovation, the city attracts millions of visitors with iconic landmarks like the Belém Tower and São Jorge Castle. It stands out as a dynamic cosmopolitan center for culture, tourism, and business.

Located in the heart of Lisbon, the Congress Centre of Instituto Superior Técnico is a prestigious venue for conferences, meetings and events of all kinds. Combining elegant spaces, modern technology and excellent accessibility, the Centro de Congressos do Instituto Superior Técnico offers an inspiring setting within one of Portugal's leading universities.
